## **WEB Leader Contract**

for the year 2009-2010

Being a good leader means being responsible and effective. An effective leader's responsibilities are spelled out in detail. With that in mind, your participation in WEB means submitting to the principals below.

1. I will remember that I am a representative of South Pasadena Middle School, the students, faculty and staff. I will behave in a way as to bring respect to the program, to my school, and myself.
2. I will maintain my grades in citizenship, work habits, and academics as established by the administration. (C's and above)
  - If my grades, citizenship, or work habits fall below C's or S's I will be placed on probation. After a period of 3 weeks if the low area has not improved I may be removed from the WEB program.
  - As a WEB Leader I can be placed on probation no more than twice in a year. If my grades fall for a third time I may be removed from the WEB program.
3. I will attend school and class unless I am ill.
4. If I have specific duties /responsibilities and am going to be absent, I will find someone to take my place.
5. I understand that with the freedom that this class allows (using the phone, walking the halls, handling and spending money) comes great responsibility. I will not abuse these freedoms.
6. I will be honest with my advisor in all matters. If something is bothering me I will go directly to an advisor rather than "cause waves" within the program.
7. I understand that I am a leader on campus and will be held to a higher standard of accountability than a regular student. My position makes me more visible and thus more responsible.
8. Failure to conduct myself accordingly or complaints about my conduct from members of the faculty or staff as related to the above items may result in my removal from WEB.
9. Any involvement in insubordination, intimidation, drinking, drug abuse, smoking, or stealing will be grounds for my immediate removal from WEB.

My parents and I have read and agree to the WEB Contract as written.
